

# SIT DOWN, HOLD ON & LEARN

## 9-1-1 TRAINING DAY?

Handled 4 calls at once ... without freaking out  
Worked 2 radio channels ... to practice split ear  
Performed CPR by phone ... 5 times in one hour  
Handled an occupied car fire ... but no one burned up  
Got 5 pursuits in a row ... trainer said I did great  
Managed a domestic ... forgot to ask about weapons

*Susan Newell of Jefferson County KS says,*  
“Please – tell all agencies how I feel about StarZ!  
I was hesitant to purchase StarZ because of the  
price, but I finally decided we needed something  
to help with training. I could not be happier!  
My turn over has gone down (rescuing the  
budget). And I use the simulator for public  
education. StarZ can be used in so many ways.”
